# RESPIRE CARE REIMBURSEMENT SERVICES

Alzheimer's Services is pleased to be able to supplement Respite Care Services with grant funding through its Respite Reimbursement program, which is available to caregivers residing in our 10-parish service area.

The following guidelines apply:

- The grant benefit is limited to a \$100/month, maximum reimbursement of \$600 in a 12 month period.
- Recipients have 12 months to use the \$600 gift
- Recipients must have a physician's diagnosis of Alzheimer's disease or a related dementia disorder to participate
- The recipient must reside within our 10-parish service area
- Re-enrollment is based on a waiting list; those who have never participated in the program have priority on the list
- This program is based on funding availability, no amount of funding is guaranteed.
- An application must be completed and filed with Alzheimer's Services before any Respite Care Services funding can begin.

For more information, please contact Alzheimer's Services at 225-334-7494 or [respite@alzbr.org](mailto:respite@alzbr.org)
